

ALJAN AGAMAO

Full Stack Web Developer Student

ALL ABOUT ME

I am currently a full stack web developer student with a strong eye for innovative design and a keen understanding of techniques geared toward optimum user experience.

WORK EXPERIENCE

Health Care Assistant

Renfrew Care Centre | April 2018 to February 2019

Provided care and support to residents such as bathing, dressing, and feeding.

Assisted residents in their activities of daily living.

Transported residents in wheelchairs and beds using lifts.

Assistant Store Manager

Buck or Two Plus! | February 2017 to January 2018

Monitor and maintain store inventory.

Coordinate daily customer service operations.

Assist the Retail Store Manager in planning and implementing strategies to attract customers.

Conduct regular audits to ensure the store is functional and presentable.
