PROFESSIONAL SUMMARY

Newly graduated web developer offering enthusiasm and understanding of various programming languages. Looking to join organization where opportunity for growth and professional development is embraced.

WORK HISTORY

Renfrew Care Centre - Healthcare Assistant

Vancouver, British Columbia • 04/2018 - Current

- Maximized patient satisfaction by helping individuals carry out personal tasks such as dressing and walking
- Monitored, tracked and conveyed important patient information to healthcare staff to help optimize treatment planning and care delivery
- Obtained client medical history, including medication information, symptoms and allergies
- Facilitated activities of daily living, including personal hygiene management, feeding and ambulation

Buck or Two Plus! - Assistant Store Manager

Vancouver, British Columbia • 12/2016 - 01/2018

- Assisted team members with delivering friendly, knowledgeable service by applying proactive monitoring and corrective action strategies
- Helped with planning schedules and delegating assignments to meet coverage and service demands
- Promoted professional growth and facilitated talent development of each associate to drive performance excellence
- Managed opening and closing procedures and recommended changes to enhance efficiency of daily activities

SKILLS

- HTML, CSS, Sass, Bootstrap, Material
- Javascript, JQuery, VueJs
- Git as Source Control
- Familiar with Ruby, Ruby on Rails, Wordpress, Firebase
- Currently learning: ReactJs

PROJECTS

BrightEvent

- Is a collaborative project made by our cohort as part of the curriculum in Code Core College
- It's a simple CRUD web app where you can access events that are available in your area
- Technologies used: Ruby, Ruby on Rails, Bootstrap, HTML, CSS
- Github repo: <https://github.com/musiccabin/brightevent>

Yajo

- Is a responsive team portfolio website made using HTML, CSS, JQuery, JS and Bootstrap
- This website is made to show my skills on using frontend languages
- Github repo: <https://github.com/agamaoaljan6/Yajo>
- Hosted in: <https://yajo.netlify.com>
